

We are also working towards our vision, which is to be a place for everyone; where residents and staff can be proud; a place that celebrates diversity and where everyone can feel valued, included and involved. In order to achieve this, we look for people who are: Proud; Ambitious; Pioneering; Open; Proactive; Inclusive.

Hackney Council works to eradicate discrimination on the basis of race, religion, gender, gender identity, sexual orientation, disability, pregnancy and maternity, age and marital status. We also recognise that people can be disadvantaged by their social and economic circumstances, so we will also work to eliminate discrimination and disadvantage caused by social class. We also welcome those interested in flexible working. We particularly welcome applications from disabled people, as this group is currently under represented in our workforce.

In adult social care we are committed not only to improving race equality in our workforce, but reflecting on our practice with residents through the lens of intersectionality and anti-racism. We welcome applicants who have a commitment to these areas and can help us on this continual journey.

The Council has a dedicated employment support service (Hackney Works), which offers Hackney residents guidance in relation to applying for jobs. If you are thinking about applying for a job, please contact the Hackney Works team to find out what support is available: hackneyworks@hackney.gov.uk
